

Liss Infant School

**To the Parents of Children in Year One**

Dear Parents

We would like to invite you to an informal Parent Information Session where you can find out more about your child's learning in Year One. In this session we will focus on Literacy and Mathematics and offer you ideas and suggestions about how you can support your child at home.

You will also have an opportunity to ask questions about anything you might be unsure of. There is no doubt that children who benefit from the support and interest of their families make the best progress in school so we do hope you are able to join us.

The session starts at 9.00am on Thursday October 15<sup>th</sup> and finishes at 11.00am, there will be a short break for refreshments.

Please note that this session is for adults only and it is not appropriate for younger siblings to attend.

If you would like to come along, please sign and return the slip below.

Many thanks

Sue Symmons  
Kerry Tristram  
Sue Luke
