

Dear Parents

We use our Harvest Festival in school as a way of helping children understand more about the food they eat and as an opportunity to learn about the importance of sharing with others.

As well as cooking and serving food to our senior friends in the community, the children make up small 'harvest hampers' to deliver to local, elderly folk who could benefit from a little extra. If you know anyone living close to you who would appreciate a small food parcel, please give their name and address to Mrs Black in the office and we will add them to our list.

### **Coats and Wellies**

We would like to remind parents to ensure that your children have a named, waterproof coat and a pair of named Wellington boots kept in school all week so that the children can enjoy the outdoors even in wet weather. Children without coats and boots will sit in the gazebo during wet playtimes.
