Behaviour Session for Parents

We were very lucky to be joined by Sarah Cobb from Hampshire's Pri-
mary Behaviour Support Team at the coffee morning for YR parents
this week. The session was so successful that Sarah has agreed to come
back and run it again on **Wednesday 3rd October at 18:00**. The ses-
sion provides a mix of theory and practical tips that are valuable for
parents of children of any age. She also explains how to support children
when they are feeling emotional and anxious.

Many of the parents who heard her speak this week are planning to
come to this repeat session because it was so useful!

Sarah will also be running 3 other sessions during the year, each with a
different focus.
