Helping the Homeless

Last year a number of our pupils donated wool to a group of ladies in Liss, who knitted the wool into blankets and hats to give to homeless people. Recently, the ladies came into school to show the children the blankets and hats that they had made. Needless to say, we were all very impressed.

Mrs Boswell, who chairs the group, wanted to publicly thank all of the pupils and parents of the school for their generosity in providing the wool. She also felt the school had really lived up to its vision statement in nurturing a love of life and mutual respect.

Eco Council Award

Lola Enticknap-Ivory accepted the Bronze Eco-Schools award on behalf of the Eco Council at Liss Junior School. The award has been given to the school in recognition of our achievement in working towards a sustainable lifestyle. Don't forget, we have a collection bin for all used batteries in the Junior School reception. We mustn't rest on our laurels though, this work is ongoing!

For Those About to Rock!

Smoky Rockdust joined us this morning to induct pupils into our Times Tables Rock Hall of Fame. These are the children who have shown perseverance and resilience and made the most progress over the week. Well Done!

We Salute You!
