YEAR 5 – Volcanoes!

As part of their topic work on volcanoes, the children in Year 5 were challenged to make a model or a cake of a volcano along with a fact file about a European volcano.

We had some amazing results! The children had put so much thought and effort into their projects and models. They really enjoyed seeing each other's as well. On Thursday afternoon we took some of the models outside and had great fun 'exploding' them using vinegar and bicarbonate of soda or Coke and Mentos.

Well done Year 5.

For Those About to Rock!

Smoky Rockdust joined us this morning to induct pupils into our Times Tables Rock Hall of Fame. These are the children who have shown perseverance and resilience and made the most progress over the week.

Well Done!
We Salute You!

FRIDAY FLYER
