## Uganda Here I come...

We have been successful in securing British Council funding for a reciprocal visit with our twinned school, Kafuro Primary, in Uganda. Mr Stanley is having a year off, so Miss Duncan will be heading out to Uganda at the end of July, where she will be setting in motion some project work that will involve both schools, as well as Hambledon Primary School and Rihamu Junior School in Uganda.

We are hoping that Mr Posiano Asasira, a Ugandan teacher, will be visiting us next academic year. It is a long and arduous process obtaining a visa in Uganda.

## COMIC RELIEF IN LISS

The children at Liss Junior and Infant schools took part in a sponsored Danceathon last Friday for Comic Relief. The money is in and we are happy to report that:

Liss Junior School Children raised **£982.00**

Liss Infant School children raised **£765.00**

## For Those About to Rock!

Smoky Rockdust joined us this morning to induct pupils into our Times Tables Rock Hall of Fame. These are the children who have shown perseverance and resilience and made the most progress over the week. Well Done!

Well done to the members of the choir who participated in the Petersfield Music Festival this week. You gave a wonderful performance and represented the school in an exemplary manner. You all knew every song and you sat beautifully throughout the performance.

## Odd Socks!!!

Each school had a special assembly and the children were invited to wear odd socks to school this on Thursday to raise awareness for Downs Syndrome.

## Pets for Therapy

Lexi has been spending time in both schools this week. She is enjoying familiarising herself with the children and all of the different smells and sounds around her, well done Lexi!
