Big Pedal Challenge

A huge thank you to all children, staff and parents who have taken part in the Big Pedal Challenge. The information about how we have travelled to school during the past 2 weeks has been logged and I am pleased to say the number of people who have walked, cycled and scooted to school has increased greatly. I am sure the wonderful weather we have experienced has helped! We are currently ranked 54th in the SE Region and 435 nationally, with the percentage of pupils walking, scooting or cycling to school rising to 56%!

Riding with Larch

The Easter Bunny visited Larch early this year while they were riding this week. Riding for the Disabled have been chosen by Tesco as one of the local charities to receive a donation—They received £4000! So to celebrate the Easter Bunny has been presenting all riders with an Easter Egg!

UNNAMED SCHOOL

UNIFORM

We have a black sack FULL of unnamed uniform to go to charity.

PLEASE, PLEASE, PLEASE, name your children's school clothes. It will save every-one time and money!

Anyone for Tennis?

Following the success of the free tennis sessions, the Easter Camp is available at Newman Collard Tennis Club from Monday 8 April to Friday 12 April. For further details please email:

liss.tennis@gmail.com

Scoot2School

Eight children took part in scooter training last week and have taken home a school scooter. We covered basic skills, the safety issues around scooting to and from school, and generally being a responsible scooter user—we also had fun too!

The Scoot2School scheme will run again after half term, so if you would like to take part and have one of the school scooters to use at home,, please contact the Junior School Office.
